IN RE: HUXLEY COMMUNICATIONS COOPERATIVE	DOCKET NO. TCU-00-63
	AMENDED CERTIFICATE NO. 0068

AMENDED CERTIFICATE

(Issued July 23, 2001)

On March 23, 2001, the Utilities Board (Board) issued an order approving the application of Huxley Cooperative Telephone Company (HCTC) to offer local exchange service in the exchanges of Cambridge, Slater, and Elkhart, located in the service territory of Iowa Telecommunications Services, Inc, d/b/a Iowa Telecom. The application was identified as Docket No. TCU-00-63. The Board had originally granted HCTC a certificate of convenience and necessity, Certificate No. 0068, to provide local exchange service on September 29, 1992, and an amended certificate on July 13, 1994, to provide local exchange service in the Huxley and Kelley exchanges.

On July 3, 2001, HCTC filed a request to amend its certificate to reflect a change in the company's name. HCTC stated that by vote of its members on March 31, 2001, HCTC had changed its corporate name to Huxley Communications Cooperative (Huxley Communications).

By order issued concurrently with this amended certificate, the Board recognized the name change from Huxley Cooperative Telephone Company to Huxley Communications Cooperative (Huxley Communications). The Board also stated that it would issue an amended certificate granting Huxley Communications authority to provide local exchange service in the Cambridge, Slater, and Elkhart exchanges once Huxley Communications had approved tariffs showing the terms, conditions, and rates for service in those exchanges. The Board will issue this Amended Certificate No. 0068 to Huxley Communications to reflect the corporate name change.

IT IS THEREFORE ORDERED:

Certificate No. 0068 is amended to reflect the corporate name change from Huxley Cooperative Telephone Company to Huxley Communications Cooperative.
